To access and retain them for your records, Schwab recommends the use of strong encryption, Secure Sockets Layer capable browsers with Java Script enabled. To learn more about browsers and internet security, please click on this link: <a href="#">SchwabSafe</a>. You may print the ESA before you click “I agree,” and you should retain a copy of your overall account agreement. The ESA will always be available for your review under the “Agreements” link found at the bottom of many pages of our website.</p> <p>By clicking “I agree,” you will confirm your understanding, acceptance, and receipt of the ESA and its terms and conditions, and you will acknowledge and demonstrate that you can access the ESA and other HTML disclosures and regulatory materials on our Web site.
